

# **Privacy Policy for Lights Out**

Effective Date: August 18, 2024

## **1. Introduction**

Welcome to Lights Out, an iOS game developed by Bruno Guidolim and Bruno Sartori Quadros. We value your privacy and are committed to protecting your data. This Privacy Policy explains what information we collect, why we collect it, and how we use it.

## **2. Information We Collect**

We collect the following types of usage data:

- Crash reports
- App usage data

## **3. Purpose of Data Collection**

The data we collect is used to:

- Improve game performance
- Mitigate bugs
- Understand how users are interacting with the app to enhance user experience

## **4. Data Sharing and Disclosure**

We share the collected data with analytics providers to help us improve the app. We do not share your data with advertisers or for marketing purposes.

## **5. Data Security**

We use Google Firebase, which provides top-notch security measures and is compliant with GDPR, to safeguard your data.

## **6. User Rights**

Since we do not collect personal data, users do not have rights to request access, correction, or deletion of data. The data is not linked to any specific user, so we are unable to identify data generated by an individual user.

## **7. Data Retention**

The data we collect is anonymized and there is no specific policy in place for deletion.

## **8. Contact Information**

If you have any questions or concerns about this Privacy Policy or your data, please contact us at:

Email: [privacy@guidolim.com](mailto:privacy@guidolim.com)

## **9. Changes to This Privacy Policy**

We may update our Privacy Policy from time to time. We will notify you of any changes by posting the new Privacy Policy on this page. You are advised to review this Privacy Policy periodically for any changes. Changes to this Privacy Policy are effective when they are posted on this page.
